AYSO Placements

AYSO offers many programs from recreational to competitive. We offer a high level of coaching and instruction for our Alliance teams without coaching and administration fees. Teams are seasonal and yearly. We offer a few options for each team. For Central Tucson, tryouts are at Rillito Regional Park on 1st Ave and the grid below details the dates and times. You must register on ayso350.org to become a candidate for the team. This is a placement tryout for our competitive teams. Our core program does not require tryouts and the teams are open to anyone. AYSO coaches are positive and work to developing players. Our players typically play longer because we teach them to love the game and avoid burnout. Only one day of tryout is required upon registration but it helps to be seen more.
